## Investment Philosophy

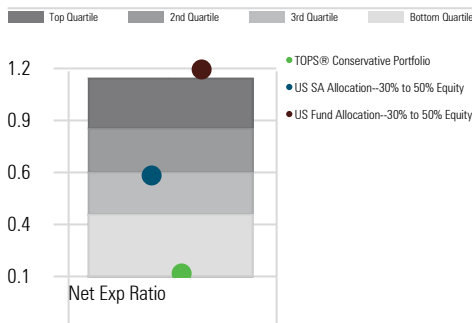

Each of the TOPS Portfolios seeks a competitive return for its investment style. The TOPS Portfolios are collective investment funds that will invest primarily in Exchange Traded Funds representing multiple asset classes, including large cap value equities, large cap growth equities, mid cap value equities, mid cap growth equities, small cap value equities, small cap growth equities, large cap international equities, emerging markets equities, real estate, natural resources, intermediate corporate bonds, short term bonds, government bonds, high yield bonds and cash. Mutual fund investments may be made within the Portfolios where appropriate.

## Portfolio Construction

The TOPS Conservative Portfolio seeks to preserve capital and provide moderate income and capital appreciation by investing primarily in exchange-traded funds ("ETFs"), and other index-based vehicles, that invest in corporate and government fixed income securities, common and preferred stocks, real estate, and natural resources securities. The TOPS Conservative Portfolio places a greater emphasis on fixed income investments than equity and real estate investments. The TOPS Conservative Portfolio may be appropriate for investors with intermediate-term investment time horizons who are seeking capital preservation as well as the opportunity for income and growth. Although the Fund is constructed in a manner intended to reduce volatility, the investment holdings are still subject to investment risk and loss of investment value.
