Portfolio Construction

The TOPS Aggressive Growth Portfolio seeks to provide capital appreciation by investing primarily in ETFs and other index-based vehicles that invest in common and preferred stocks, real estate, and natural resources securities. The TOPS Aggressive Growth Portfolio does not invest in corporate and government bonds. The TOPS Aggressive Growth Portfolio is appropriate for investors with long term investment horizons who are willing to accept a high degree of volatility in exchange for potentially higher returns than those historically provided by more diversified asset allocations.
